

In 2012-13, [NAME] will produce four books by Miami women artists--**Christy Gast, Naomi Fisher, Julian Mayer, and Consuelo Castañeda.**

The books will follow the format that [NAME] has established--hardcover, full color, and 100 pages. The first book in the group will be released in early June. The rest of the volumes will follow, one every four months.

Please join our subscription program, and [NAME] will send each volume to you as it appears.
